Make no mistake, this yearling bull has what it takes to not only be a great herd sire one day but also a fantastic first calf sire to your commercial heifers. His sire is the in the longhorn world one of world class that everyone knows his name. He is the 90" Black and White Tuff And Ready who is by the longest horned bull in the world, Cowboy Tuff Chex at 106.5" of tip to tip. Tuff And Readys granddam is the one and only, D/O Miss Grande.
